

TO WHOM IT MAY CONCERN

The South East Asian Leaders' Organization (SEALO) is pleased to invite **Hanun Thalia** as a **DELEGATE** to the upcoming **ASEAN Youth Engagement Summit 2019**, happening this **February 20-23, 2019** at **GT- Toyota Asian Center, University of the Philippines-Diliman, Quezon City, Philippines**.

First held last 2017, the ASEAN Youth Engagement Summit (AYES) is a high-level platform uniting student leaders, young professionals, and world changers from the ASEAN region. The summit provides an opportunity for its delegates to gain further knowledge/updates on key ASEAN issues/topics, progress and/or development of ASEAN and its member states and understand our role as ASEAN youth towards developing the region.

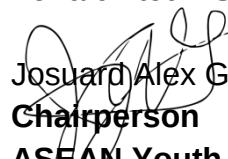

On its second year, we are bringing a bigger, bolder and better summit with the theme, **"United ASEAN Youth Towards Sustainable Transformation"**. We believe that the youth plays an important role towards the development of the region.

With the support from our partners, funds have already been mobilized to cover the logistical and operational expenses of AYES 2019. In lieu of this, we would like to humbly ask you to support the delegate's participation costs. The participation fee costs PHP 10,000 (USD 200), excluding transportation and accommodation fees. Any amount you will contribute to his/her participation fee will be highly appreciated as we believe that his/her strong credentials is worthy of a slot.

Should you have clarifications and/or require further information about AYES 2019, feel free to contact us at [delegaterelations@ayes.cc](mailto:delegaterelations@ayes.cc)

Thank you for your kind consideration to help **Hanun Thalia** participate at the upcoming AYES 2019!

For a united ASEAN Youth towards sustainable transformation

  
Josuard Alex Gonzales  
**Chairperson**  
**ASEAN Youth Engagement Summit**  
**South East Asian Leaders' Organization**
